WHY WE PARTNER WITH FOOD EXPORT INTERNATIONAL

Food Export International is the preferred choice for frozen meat agents, wholesalers and restaurant providers in the UK, Europe, Asia, and the Middle East as their frozen meat export partner:

1. KNOWLEDGE AND EXPERIENCE

Ray Goldberg, Director of Food Export International, has been in the export industry since 1986. His extensive knowledge of international banking and shipping (including air and sea freight) are a huge asset to his clients. Along with knowledge grown from experience, Ray has a massive network of international contacts and knows all the pitfalls to avoid in the frozen meat export market.

2. INTEGRITY

In an industry where disreputable dealers are rife, they are committed to operating with the utmost integrity and transparency. They have developed processes and payment systems that ensure your security and protect all parties. They promise to keep you informed every step of the way, including letting you know as soon as possible if there are any issues with your order.

3. PRODUCT QUALITY

They only select premium-quality frozen meat products, mostly from Australian producers. Wattle Tree is a proud, Australian-based provider of frozen meat. All our products meet stringent quality regulations and have a global reputation for a clean, green growing environment. All our products come from animals that have been humanely treated and slaughtered in inspected, approved abattoirs.

4. EXCEPTIONAL SERVICE

Food Export International provides the highest standards of customer service. We believe good communication is the key to good business, so if a customer has a question, we will respond within a few hours. Having close relationships with suppliers means we can offer our customers a consistent supply of quality frozen meat at extremely competitive prices.
